JULY 4TH OPENING RECEPTION BY LOCAL ARTIST, RANDI CHAPLIN-MATUSHEVITZ TO PRECEDE "FIRST FRIDAY"

Paintings of Las Vegas artist Randi Chaplin-Matushevitz will be featured at City of the World Gallery with the opening reception on Independence Day; Friday, July 4 from 3 to 6 p.m. The Chaplin-Matushevitz reception will precede the art events of the much-touted "First Friday." Both art events are located in the downtown arts district.

The works of Chaplin-Matushevitz are a continuation of her investigation of the multifaceted-ness of love and its cultural implications. Those implications range from the universal to everyday life by depicting the human condition with and without the power of love - in its many guises.

The Chaplin-Matushevitz paintings will be exhibited through Saturday, July 26, 2008. The City of the World Gallery is located at 1229 S. Casino Center. Parking will be available on Colorado and 3rd.
